QUESTIONNAIRE FOR MEDICAL VOLUNTEERS **PROVIDE YOUR SERVICES FOR FLOOD RAVAGED PAKISTAN**

Aid Teams of Helping Hand For Relief & Development (HHRD) headed by our Islamabad Office have been deployed in more than 13 Districts of Pakistan, which are affected by 80 Years record floods. Please provide us the following information, so that HHRD can enroll you in our system. Volunteer Medical Staff going to serve in Pakistan will need to purchase their airline ticket and have the necessary immunization done (if needed). HHRD will provide lodging, food and logistical support in Pakistan. During the next few months & even in the future, we will have several opportunities to send in Medical Volunteers in Pakistan. Once we have your name in our database and as opportunities arise, we will contact you to see your availability for some amount of time, for this ongoing Short-&-Long-Term Recuperation Program for Pakistani Floods 2010. For more information, either E-Mail to Ilyas.Choudry@HelpingHandOnline.Org or call 832-275-0786:
